

Occasionally, we may take photographs of the children at our school. We may use these images in our school's prospectus or in other printed publications that we produce, as well as on our website or on project display boards at our school. We may also make video or webcam recordings for school-to-school conferences, monitoring or other educational use or promotional use.

From time to time, our school may be visited by the media who will take photographs or film footage of a visiting dignitary or other high profile event. Pupils will often appear in these images, which may appear in local or national newspapers, or on televised news programmes.

These photographic images and video may be used by both Elvin and Ark schools for wider educational and promotional purposes.

To comply with the Data Protection Act 1998, we need your permission before we can photograph or make any recordings of your child for promotional purposes.

In signing this form, you give your consent for an image of your child being used in any of the ways described above, in particular:

- Photograph in school prospectus, other printed publications or on display boards
- Photograph on website
- Recording on video or webcam and display of recorded footage on websites
- Appearance in the media

Please note that websites can be viewed throughout the world and not just in the United Kingdom where U.K. law applies.

I have read and understood this consent form and agree to my child's image being used in any of the ways described above.
