To parents

Coronavirus update

Last night the government updated their travel advice but the risk to individuals in the uk remains low and unless you have travelled to the countries below your child should still attend school.

If you have returned from these specific areas since February 19, you should call NHS111 and stay indoors and avoid contact with other people even if you do not have symptoms and call school to inform us:

- Iran
- Specific lockdown areas in Northern Italy as designated by the Government of Italy
- Special care zones in South Korea as designated by the Government of the Republic of South Korea
- Hubei province (returned in the past 14 days)

If you have returned from these areas since February 19th and develop symptoms, however mild, you should stay indoors at home and avoid contact with other people immediately and call NHS111 and school to inform us. You do not need to follow this advice if you have no symptoms.

- Northern Italy (defined by a line above, and not including, Pisa, Florence and Rimini),
- Vietnam
- Cambodia
- Laos
- Myanmar

We will keep you updated if and when the advice from government is updated.

Kind regards,

Rebecca Curtis  
Principal
