

Ark Elvin Academy

3 April 2020

Dear families,

This is certainly the most unusual end of term any of us have experienced and not one we were ever expecting. But we have been really proud of the way our pupils have taken to the changes and want to take this opportunity to thank you all for supporting your children with their learning from home - particularly at a time that is so difficult for all of us. I would also like to extend my thanks to all our staff who have worked so hard throughout this period and for helping us create a new normal' for our community. You are the best!

Easter Holiday packs will be available by the end of today - just follow this [link](#).

The activities in these packs will feel different from term time home learning. Our team have come up with a range of challenges to give your children fun educational tasks to complete over the next two weeks. We know that the days in lockdown can feel long so we hope that these activities will be enjoyable and purposeful. Let us know what you think!

Contact with school over the Easter holidays

Our staff will be taking a very well-deserved break over the holidays and so will not be making contact as regularly as they will do during term time. However, the senior leadership team will still be contactable so if you or your child need any support over the next two weeks please do not hesitate to call the school directly or contact us on info@arkelvinacademy.org. Leave a message and one of us will get back in touch with you as soon as possible.

Free School Meal food vouchers

We have been providing food vouchers for all our families who are eligible for free school meals for the last two weeks and will continue to for the period over the Easter holiday. The new government scheme is launching after Easter and will provide all families eligible for free school meals with £15 per child per week. Please do not hesitate to contact us if you have any questions or concerns about this.

We are really missing all our pupils and cannot wait to re-open our school and get back to business as usual. But in the meantime we send all our best wishes to our

Elvin families and wish you well over this spring break. And remember if there is anything we can do to support you please do not hesitate to get in touch.

Our community is strong and we will overcome this.

Take care, stay safe and stay at home.

Ms Curtis and Team Elvin
