

Ark Elvin Academy

9 April 2020

Dear Year 11 pupils and parents/carers of Year 11 pupils,

Please follow [this link](#) for the latest update from the government on how GCSE grades will be awarded this summer.

I know that you will have lots of questions about this and what this means for your post 16 destinations. In the first week after the Easter holidays we will be calling each of you to talk through what this means for you and answer any questions you might have. We will also be setting you work to complete that will help you prepare for your studies in September.

We really understand how difficult this is especially for your year group. At any stage if there is anything we can do to support you or your families please do not hesitate to get in touch either by calling the main school number and one of us will call you back or by emailing us directly on info@arkelvinacademy.org.

Take care - stay inside - stay safe,

Ms Curtis
