

Ark Elvin Academy

24 April 2020

Dear Year 11 pupils and parents/carers -

I hope you have had a good week and Ramadan Mubarak to all our Muslim pupils and families. I know this Ramadan will feel very different but I hope the spiritual importance will provide strength and comfort to you all.

I realise you have had a great deal to understand this week with the latest announcements about your GCSEs and so I wanted to reinforce the message I sent to Year 11 last week.

This is what you need to know:

- You will not be sitting any examinations this summer
- Your GCSE results will be based on revised predicted grades
- We will base your predicted grade on all the work; mocks, classwork and homework you completed throughout Year 10 and Year 11 up until school was closed
- You will receive your GCSE results on GCSE results day which this year will be August 20th 2020.

This means that the work you complete this term is going to be different from what you were doing at home before the Easter holidays. You will no longer be revising for your GCSE exams or completing any further study for your GCSEs. Instead you are going to start preparing for the courses you will be studying in September and your post-16 destinations.

Your form tutors will continue to call you once a week and a member of staff will be in touch over the next 10 days to talk to you about your post-16 destination and how you can prepare for this.

In the meantime - take care - stay safe - stay home and keep learning!

Ms Curtis
