25 August 2021

Dear parents and carers,

I hope that you and your families are all well and that your children are as excited as we are to be welcoming them back to school for the start of the academic year 2021/22.

To support a safe start to the year and in line with the latest government guidance all pupils will be offered two covid tests at the start of term. In addition, we will be meeting with all families for a parent review day meeting and all pupils will take part in a start of term induction session. The timetable below gives you an overview of when each of these activities will take place for your child.

The exact times of the parent review day meetings have been sent to parents already. If you have not received your time or have a problem with the time, please call school directly or email info@arkelvinacademy.org. The time for your child's first covid test and induction session can be found in the information below.
