

Ark Elvin Academy

5 June 2020

Dear parents and carers,

When I wrote to you earlier this week I mentioned that we would share with you some resources to support you discuss the issues that the tragic death of George Floyd has raised. These can be found [here](#). Your child's form tutor will also be following up in their email and phone call check in's over the coming weeks and as I mentioned we are compiling a book of condolences to share with the family in the US. If any parents or carers would like to add their thoughts and reflections to this, please email me directly (r.curtis@arkelvinacademy.org).

The issues we are facing around the world can leave us feeling quite helpless but if anything, they remind us of the importance and power of a great education. And we are more determined than ever to support your child with their learning and wellbeing through these dark times. We are busy preparing to welcome our Year 10 pupils back for small group lessons from the week beginning the 15th June and are pleased to be welcoming more children to our community classrooms to support with their home learning. Whilst there is still no date for all pupils to return to school, we are determined to support your child in any way we can. If you have any concerns about how your child is accessing the home learning or their wellbeing in general, please do not hesitate to contact us.

All tasks for pupils to complete in their home learning tasks can be found [here](#) and their timetables can be found [here](#) for years 7 to 9 and [here](#) for year 10.

Take care and stay safe,

Ms Curtis
