

Ark Elvin Academy

20 January 2022

Dear parents and carers,

The government has just updated its national guidance about wearing masks in schools. They are still recommending that masks are worn in communal areas but are no longer insisting they are worn in classrooms. In Brent we are beginning to see the number of covid cases fall but it is still not as low as it was in the Autumn term. With this in mind, we will continue to encourage pupils to wear a mask to help keep our community safe but in classrooms this will not be insisted on - it will be your child's decision to wear a mask or not.

If you have any questions about this please do not hesitate to contact the school.

Kind regards,

Ms Curtis
Principal
