

# Ark Elvin Academy

3 June 2020

Dear parents and carers,

We hope you and your families are well and that your child has made a great start to their learning this week - remember that their home learning tasks can be found [here](#) and their timetables can be found [here](#) for years 7 to 9 and [here](#) for year 10.

All of us in Team Elvin have felt deeply affected by the tragic events in the United States over the last week since the brutal murder of George Floyd. If this had been a normal week in school we would have used our form time to help our pupils understand and process this news and to help them see the small ways we can work together to tackle injustice in our world. Instead during this half term form tutors will be discussing the issues with our pupils and we will start by creating a book of condolences to send to the Floyd family from Ark Elvin. I know that you will be discussing these issues with your children and we will share some resources with you at the end of the week to help with this.

Although we are not together through these hard times, we are still a community and by collectively reflecting on these events and then supporting our children to learn from them we can and will be stronger.

Take care, stay safe,

Ms Curtis
