

Ark Elvin Academy

26 February 2021

Dear parents and carers,

We are looking forward to having pupils back in school in the week beginning 8th of March for their induction. Below is some important information and key dates for your diary.

Year 11 and 12 results

Following the cancellation of this year's examinations yesterday the government announced the outcome of their consultation on how examination results will be assessed this year. As we expected they have said that this year's results will be teacher assessed. The grades your child receives this summer will be based on a range of evidence including their mock results, in class task completion, coursework and other assessment materials. This means the work they are currently competing and will continue to complete once they return to school all count towards the final grade they will receive.

We will be explaining this process along with our re-opening plans at the Year 11 and Year 12 parents information evening next Tuesday at 5 pm. See the joining links below.

Online Parent Information Evenings

Online parent Information Evenings will take place on **Tuesday 2nd March at 5pm** to answer any questions you may have about your child's return to school. We will also be updating parents and carer's of Year 11 and 12 pupils about the arrangements for this year's examination results. Please use the appropriate link below to join. Instructions on how to join an MS Teams meeting can be found [here](#).

Return to school dates, induction and covid-19 testing

Please find below the start dates and times we are expecting pupils to return in the week commencing 8th March. All pupils must arrive **five minutes** before their start time. If you have given consent for your child to receive their covid-19 rapid flow test, they will be tested at the start of this induction.

If you have not yet told us whether or not you want your child tested, please [click here](#) to fill out the consent form online.

The government has made it clear that rapid testing using Lateral Flow Devices (LFDs) will support the return to face-to-face education by helping identify people who are infectious but do not have any coronavirus (COVID-19) symptoms. We have used LFDs to test pupils who have attended our Community Classrooms throughout lockdown.

Monday 8 th March – Years 12			Monday 8 th March – Years 11		
Form	Start	Finish	Form	Start	Finish
12 Michaeloudis	14:15	14:45	11 Chroussis	10:30	13:00
12 Mohamed	14:45	15:15	11 Gliksten	10:00	12:30

Safety

We have created a page [here](#) that describes all the ways we are keeping our pupils and staff safe on their return to school.

Yours faithfully,

Ms Curtis
Principal
